MORTEZA DAREHBAGHI, Dakhil, Installation

Three of the important new wave of contemporary artists from Iran, Morteza Darehbaghi, Behrouz Rae and Sadegh Tirafkan will be showing the very best in photography, installations and paintings in London for the first time at Osborne Samuel in June. Well known for its pioneering exhibitions of art from emerging nations the gallery is delighted to welcome the three artists. Each has been invited to respond to one of three exhibition spaces in the gallery and to break new ground with their works.

The exhibition is in association with Janet Rady Fine Art & Neda Dana-Haeri.
